

# Updating Student Manager 9.0

1. Download the sm8.exe: <https://releases.aceware.com/SM/EXE/sm9.exe>
2. Get everyone out of Student Manager.
3. Copy the sm9.exe into your Student Manager folder, overwriting the existing file.

## Unblocking Files

When downloading the sm9.exe, you may need to unblock it before moving the files into your Student Manager folder. To unblock files:

4. Right-click the file.
5. Choose Properties from the menu.
6. On the Properties window check the Unblock box.
7. Click the **OK** button.
